Owners need to sell - Make an offer!

This sweet 2-bedroom, 1 bath cottage is in a very convenient location, its only a short stroll to the Mooloolah Public School and within a short walk to the shops and public transport.

The cottage was built in the late 80s and has been renovated on the outside and restored on the inside. It is on a massive 1113m2 block, which is fully fenced and has a separate front yard with the ideal picket fence and real street appeal. The Current owners have recently had a large shed built in the back yard and have had the entire block cleaned up with most of the old trees removed. This has made the block completely usable and very pet and family friendly.

This little gem is a real find, it has town water, town services, and has been lovingly looked after by the current owners. A little more updating and you will have a perfect home for a retiree that wants to travel or a first homeowner.
