The six bedrooms and four bathrooms make this a delight for a large family. Sitting proudly on a 3568m2 block of land, the home is very welcoming and designed for easy living.

The first thing you see when you enter the property is the concrete driveway leading to the grand two-story home which sits nicely on a gentle hill. There is a huge three car garage on the right with a beautiful upstairs yoga/dance studio or loft apartment with timber floors and loads of light, there is a double carport to the left.

As you walk up to the front door you will notice the silky oak timber doors and windows that run the span of the front lounge room and around the back of the home. The home is built with breezy covered verandas that offer shade and a place for kids to ride their trikes.

On entering the home, you come to the staircase that goes to the second floor and then you turn into the massive lounge/ rumpus room.
